Master Stefan Lyon  
1648 Grove Street  
San Francisco, California 94117

Dear Stefan:

Thank you for the inscribed copies of your books, *My Adventures with Stitch* and *Stitch and Molly tour San Francisco*. You were kind to think of me.

I am grateful for your hard work to help children in Kenya. Your dedication and compassionate efforts display the true spirit of our Nation.

Mrs. Bush and I send our best wishes. Keep up the good work.

Sincerely,

A large, stylized handwritten signature in black ink, appearing to read "GWB".
